UTAH CLUB WOMEN IN SESSION AGAIN

Seventh Annual Meeting of the State Federation Opens at Congregational Church-Addresses of Welcome and Response.

ub which today has for its object the

lace to our great sisterhood of clubs. Here in Utah certainly there are reat opportunities for the best work

dish pleasure alone will soon perish

Surely a great opportunity will be forded to some rising young artist the coming century to immortalize

himself and to give immortal fame to this glorious type of womanhood. He would not create her as our own god-desg of liberty, standing erect, bearing

oft in her hand an electric light to then the world; or indeed, as an

Athene, the most renowned goddess

And our artist will call her, the club wo

has long ago been invited to take a back

seat-and I am sure there is no lord of the feast-however gallant who will think of saying to her "friend come up

For human nature's daily food, But when affliction wrings the brow,

ago unhooked her wings and hung them up in the hall of relics. An angel

rather who comes to us, it may be in the garb of the trained nurse of to-

tertainment of the larger eastern cities,

MRS, SCOTT'S RESPONSE.

Arabs entertain guests, and wish to be

were members of one family, and shar with you in promulgating the further

ance of woman's work in this broad

with you, and to respond in behalf of the local clubs of Utah, to your most

courteous and cordial welcome, "The twilight shades of the nineteenth

century are upon us, a century remark-able for its steady advancement. "So quietly has woman taken her place

in the management of affairs both public and private, so cheerfully and willingly adapted herself to the needs of the hour; and if we had no other be-

quest to leave the twentleth century than the place woman has won for her-

self, we should still feel an honest pride, We see gathered here the representa-

State, if not over our broad land, for what country can boast of grander

deeds or more philanthropic work than that performed by the women of our

beautiful America. We behold her today in the various

reforms and professions, and she has shown brains and skill in all.

"They talk about a woman's sphere

There's not a place in earth or heaven, There's not a task to mankind given, There's not a blessing or a woe.

There's not a whispered yes or no,

As though it had a limit.

It gives me exceeding pleasure to be

yours to command.

PRESIDENT'S PRACTICAL TALK.

world with the promise of brighter hopes, higher ambitions and greater

The morning's program ended with an address by the president, Mary Gelgus-Coulter, which embraced a comprehen sive review and outlook upon the Federation work, the effort being a masterly one in style, material and argument. She said in part:

In the time allotted me by the pro-gram committee I find no reom to enter into details, to recount minutely what has been done along the lines of federa-tion work, to specify particular success or fallure, all this I leave to the sev-eral officers, the chairmen of the vari-ous committees and the delegates of this organization who will render re-ports during the sessions. I shall in no sense forestall what they may have to offer; but will aim at encouragement.

one seeking out the meaning of it al the fact of the biennial is a fruitfu theme. In an age of colossal move-ments, when great results are comates into insignificance, the fact of the ever from pessimism.

Woman in the United States has un-

think of saying to her "friend come up higher," for all must recognize that she gathering of women as this, so representative of all that teems in the brain,

thrills in the heart or works in the will of womankind has never before met on American soil. It marks an epoch and its influence inding in time all women into a single Yes, an angel truly, but one who long which you are the vanguard stands for day wearing her cotton gown and white apron, but with trained mind and help-ful hands.
